Quinn Lenoci

It has been said that if we go through life with at least one friend, we are richer than most. The following are responses from friends finishing the sentence, "Quinn is..." the greatest friend a guy could ever have, irreplaceable friend, kind hearted, extremely friendly, motivated, ambitious, driven, hard working, strong, intelligent, industrious, humble, kind, harmless, exciting, hilarious, fair, inspiring, legendary (wow!), smooth trumpet player, outstanding musician, great athlete, and has major swag.

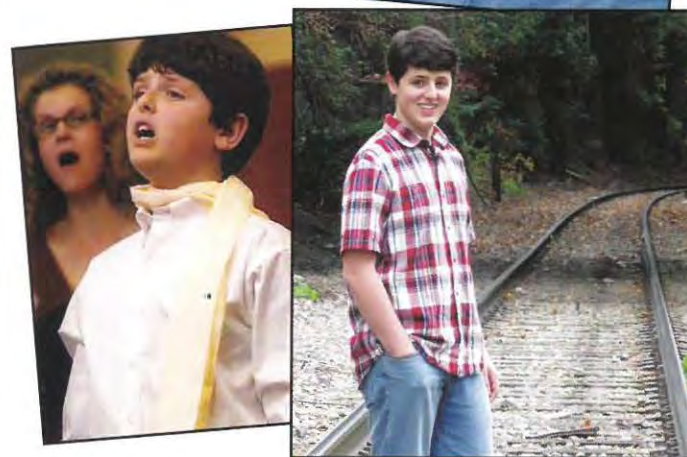

These people hold you in such high regard. Their friendships and respect are a true expression of who you are.

Taylor James Ampatiellos

Rivers belong where they can ramble / Eagles belong where they can fly / You've got to be where your spirit can run free / Go and find your corner of the sky (adapted from Pippin)

Quinn Lenoci

You've gone from preschool to high school in the blink of an eye. We watched you grow from "our little man", our "Quinny the Pooh" to an amazing man ready to make his mark on the world. Though we can't go back in time, we can always go to our memories to re-call many awesome times. We can also look forward to so many more as you continue to move forward. To simply say we are proud of you is a big understatement. Not a day goes by without us being reminded how fortunate we are to be your parents. Know we have total faith that you'll achieve great things. The most important being that you live a truly happy and rewarding life. Though bitter sweet it is with our infinite gratitude for who you are. For all you've accomplished, for all the lives you've touched & faith that you'll always be OK as we send you out into the world. We wish you all the success both personally and professionally that life could possibly offer. We love you so much and will forever be here for all you need.
